

NEWS RELEASE

Attention business/financial editors and reporters:

AEROQUEST INTERNATIONAL LIMITED (TSX-V:AQL) Announces the appointment of a new CFO

Mississauga, ON – June 26, 2008 - Aeroquest International Limited is pleased to announce the appointment of Mr. Robert Motz as its new Chief Financial Officer, effective June 26, 2008.

Mr. Motz is a Chartered Accountant and a senior financial, operational and administrative executive who has worked with leading international and Canadian corporations. Mr. Motz is experienced with public company issues having served as the CFO of a publicly traded company in Canada, and has particular expertise in the areas of corporate governance, international taxation, financial systems and cross functional organizations.

In connection with this appointment, Mr. Wilfred Edge has resigned his position as CFO of Aeroquest International and taken up the role of Chief Financial Officer of Aeroquest's subsidiary companies Aeroquest Limited and Geophex, Ltd.

About Aeroquest International

Aeroquest International is a global geoscience services organization providing airborne geophysical technologies and services, including the latest in airborne data acquisition, processing and interpretation services, to the resource, energy and environmental sectors. Directly, and through its sister companies UTS Geophysics and Geophex, Aeroquest fields a fleet of over two dozen helicopter and fixed wing survey systems and is active around the world. More information about Aeroquest can be found at www.aeroquest.ca. More information on UTS Geophysics can be found at www.uts.com.au. More information on Geophex can be found at www.geophex.com.

For Investors

This news release may include statements about expected future events and/or financial results that are forward-looking in nature and subject to risks and uncertainties. The Company cautions that actual performance will be affected by a number of factors, many of which are beyond its control. Future events and results may vary substantially from what the Company currently foresees. Discussion of the various factors that may affect future results is contained in the Company's recent filings, available on SEDAR.

The TSX Venture Exchange does not accept responsibility for the adequacy or accuracy of this release.
